Cyr, William Wiley and Marianne Wiley, Willis Dunkum III, Yadin Rozov, and their assignees (collectively, the "Shareholders"), by and through its undersigned counsel, submit this Memorandum of Law in support of their Motion for Default Judgment made pursuant to Rule 55(b) of

the Federal Rules of Civil Procedure. Pursuant to Fed. R. Civ. P. 55(a), this Court entered the default of the Defendant U.S. China Mining Group, Inc. ("USCM") on December 9, 2015. As such, this memorandum is submitted in support of Plaintiff's Motion for Default Judgment whereby the Plaintiff seeks recovery of damages and costs.

### **FACTS**

China Mining was incorporated in the State of Nevada in 2001. On or about January 7, 2011, the Shareholders entered into a Securities Purchase Agreement ("SPA") whereby the Shareholders purchased an aggregate of 3,750,000 units of the Company at a purchase price of \$4.00 per unit for payment of an aggregate purchase price of \$15,000,000. Each unit consisted of shares of (i) one share of our common stock, par value \$0.001 per share, and (ii) a five-year warrant (the "Investor Warrant") to purchase 0.5 shares of our common stock at an exercise price of \$6.80 per share. Under the SPA, Euro Pacific is the "Investor Representative" and "Placement Agent" of all Shareholders and is their lawful agent and attorney-in-fact to act on their behalf.

China Mining failed to file its 10-Q by the August 30, 2014 deadline, and has yet to file or make available its 10-Q for the quarter ending June 30, 2014. The last 10-K or 10-Q China Mining filed was its 10-Q for the period ending March 31, 2014, which it filed on May 20, 2014. Since then, China Mining has refused to provide any reports either publically, to Euro Pacific, or to the Shareholders. This failure to file with the SEC is in blatant breach of the SPA. As a result of China Mining "going dark," the Shareholders are deprived of a market to sell their investment, as any decision to buy, sell, or hold by all market participants is rendered impossible.

Lastly, USCM has made an illegal and fraudulent investment in a company called Majestic Machinery, Inc. ("Majestic"). Shortly after Mr. Li's misappropriation of the \$2,800,000, China Mining took out a bank loan in the amount of \$3,000,000 for purposes of providing those funds to Majestic; Majestic does not appear to have any credible nexus to coal mining or brokering activities. China Mining has failed to detail or otherwise disclose this transaction in its subsequent 10-Ks and 10-Qs, and upon information and belief, this transaction has brought no return on investment.

### ARGUMENT

Plaintiff is entitled to a default judgment based on the well-pleaded allegations of its Complaint. *Greyhound Exhibit Group, Inc. v. E.L.U.L. Realty Corp.*, 973 F.2d 155, 158 (2d Cir. 1992) (finding that a party's default constitutes a concession of all the well-pleaded allegations of liability). Upon the entry of default, the factual allegations of the complaint, except those relating to the amount of damages will be taken as true. See *Trans World Airlines, Inc. v. Hughes*, 449 F.2d 51, 69 (2d Cir. 1971); *Chen v. Jenna Lane, Inc.*, 30 F.Supp.2d 622, 623 (S.D.N.Y. 1998); and 10 *Moore's Federal Practice* §55.12[1] (3d Ed. 2002).

The default established USCM's liability to Plaintiff for breach of contract, breach of covenant, breach of covenant of good faith and fair dealing, fraud, fraudulent inducement, and a violation of section 10(b) of the Exchange Act. Accordingly, it is established that USCM fraudulently induced the Plaintiff to enter into a Securities Purchase Agreement (the "SPA") with intent to eventually "go dark" and abscond with the funds back to China, as described in the Complaint, attached as Exhibit 1 to the Affirmation of Christopher L. Ayers ("Ayers Aff.") filed herewith. See Complaint at ¶¶ 15-

46. These facts constitute USCM's liability. See *Greyhound Exhibitgroup, Inc. v. E.L.U.L. Realty Corp.*, 973 F.2d 155, 158 (2d Cir. 1992) ("a party's default is deemed to constitute a concession of all well pleaded allegations of liability"); see also *NCM Contr. Grp. LP v. Asset Recovery Grp. LLC*, No. 11-cv-1753, 2014 U.S. Dist. LEXIS 75119 (D. Conn. June 3, 2014) ("the factual allegations of the complaint, except those relating to the amount of damages, must be taken as true").

Defendant USCM has not appeared in this action. USCM is a publicly held corporation organized and incorporated under the laws of Nevada, which operates out of the People's Republic of China and is headquartered in Tampa, Florida. See *Ayers Aff.*, at ¶ 6. As such, USCM is not an infant or incompetent person, nor can it be in active military service. Therefore, Plaintiff seeks a judgment in an amount not less than \$15,000,000 plus punitive damages, costs, attorneys' fees and interest in the amount of nine percent per year. Plaintiff further seeks a judgment whereby the Shareholders can "put" their shares at fair market value as a result of USCM's breach of the SPA and for the Court to impose a mandatory injunction, requiring USCM to report under the Exchange Act pursuant to the SPA. Additionally, Plaintiff seeks to award Euro Pacific, individually, an amount not less than \$1,000,000 to compensate Plaintiff for the loss of business and reputational harm suffered as a result of Defendants' misconduct, plus interest.

### CONCLUSION

Plaintiff respectfully requests that this Court grant the Motion for Default Judgment against USCM on all counts of the Complaint, as follows:

1. Order USCM to provide Euro Pacific, individually and in its capacity as Investor Representative and attorney-in-fact for the Shareholders, with copies of the books and records for inspection in New York;
2. Award Euro Pacific, in its capacity as Investor Representative and attorney-in-fact for the Shareholders, an option to "put" their shares in USCM at fair market value, to be determined by the Court at an inquest hearing following the submission of Plaintiff's proofs of claim;
3. Grant a mandatory injunction requiring USCM to report under the Exchange Act pursuant to the SPA;
4. Order Defendant USCM to prepare an accounting of all profits earned as a result of their misappropriation of SPA offering proceeds;
5. Award Euro Pacific, individually, damages of at least \$1,000,000.00 to compensate Plaintiff for all their business losses and reputational damages, plus interest, to be determined by the Court at an inquest hearing following the submission of Plaintiff's proofs of claim;
6. Award Euro Pacific, individually and in its capacity as Investor Representative and attorney-in-fact for the Shareholders, punitive damages against Defendant USCM, in an amount to be determined by the Court at an inquest hearing following the submission of Plaintiff's proofs of claim;
7. Award of Euro Pacific, individually and in its capacity as Investor Representative and attorney-in-fact for the Shareholders, attorneys' fees and costs of suit incurred herein, in an amount to be determined by the Court at an inquest hearing following the submission of Plaintiff's proofs of claim; and

8. Award Euro Pacific, individually and in its capacity as Investor Representative and attorney-in-fact for the Shareholders, such other and further relief as this Court deems just and proper.
